

What format of file do I need to provide for Printing | Embroidery?

Vector in CMYK colour, fonts must be outlined (ai,eps,pdf). Raster format also acceptable depending on the nature of a job. (jpeg,tiff,bmp), preferably at minimum 300 dpi.

What if I CAN NOT provide the logo/ design file in the formats required by Danzo?

You need to pay for logo redraw | tracing service

What is Set-up Fee ?

1. Set-up Fee is a standard cost for service of preparing print/embroidery production ready artwork. Danzo's designer will spend time to convert your design/logo into a format which our machinery can read and proceed. Set-up fee is not design fee.
2. \$60+gst Set-up Fee is a one-off charge for each logo/design. Repeat orders with no change on logo/design will not be charged again.
3. Orders involve both Embroidery and Printing will be charged separately for Set-up Fee.
4. For Screen Print, Set-up Fee is FREE for repeat orders within two months.

Do I have to pay Set-up Fee ?

Yes. You need to pay Set-up fee unless your order is over 1000 units with less than 3 imprint position.
